https://books.google.com/books/about/Genius_Kitchen.html?id=poA1EAAAQBAJ Genius Kitchen: Over 100 Easy and Delicious Recipes to Make Your Brain Sharp, Body Strong, and Taste Buds Happy User Review - Publishers Weekly "When it comes to eating for good health, there is no 'one-size-fits-all' diet," writes health and science journalist Lugavere in this collection of fortifying recipes. When his mother's health began to decline, Lugavere turned to his mother's recipes for inspiration. This collection of recipes is a testament to the power of food to heal and nourish. It is a collection of recipes that are not only delicious but also healthy and easy to make. It is a collection of recipes that are perfect for anyone who wants to eat well and live well.
